

Preserving local history for future generations

COMMUNICATION FORM

This form will assist with the following activities:

- Membership application
- Charitable donations
- Book publication orders
- Edits & Additions recommended for the website

MEMBERSHIP

The annual membership fee is \$5.00. Members receive a newsletter two times a year describing the past and future projects. Announcements of community events and requests for local history information go directly to members first.

CHARITABLE DONATIONS

NFHS is a registered charitable organization that provides income tax receipts for donations of \$10 or more. These funds support our local history research, expenses for community events (such as hall rental and items for displays), and the production of publications. The donor may direct the funds to specific projects of special interest to them.

BOOK ORDERS

North Frontenac Historical Society & Archives and the previous organization of Clarendon & Miller Community Archives have produced a collection of local history books that are available for purchase. These make wonderful gifts for friends and family members with ties to the Township or those who want to learn more about the area.

EDITS & ADDITIONS FOR THE WEBSITE

The website is a “work in progress”. The latest version has more potential for uploading the large amounts of data that our research has compiled. Our priority in 2021 has been the Cemeteries & Genealogy Section but the earlier Archives, Virtual Tour and Hamlets are very

important as well. It is our intent to add to all sections with photos and family information. In order to make that easier for the public to share their information, the Communication Form has a section do that. If you have found an inaccuracy that we need to correct, you may notify NFHSA on the form. If you have scanned photos or additional information we would be pleased to receive these items as well.
